

APPENDIX E

Preparers and Contributors

The Forest Service consulted the following individuals, Federal, State, and local agencies, tribes, and non-Forest Service persons during the development of this environmental assessment:

ID TEAM MEMBERS:

Nate Barber, USDA Forest Service, Bitterroot National Forest, Forester

Contribution: Timber Logging Systems and Economic Analysis

Education: Bachelor of Science in Forestry from University of Washington

Experience: Forest Service- 8 years in timber management.

Rob Brassfield, USDA Forest Service, Bitterroot National Forest, Fish Biologist

Contribution: Fisheries, Project coordination

Education: Masters of Science in Biology, Fish Ecology emphasis from Idaho State University

Experience: Forest Service- 26 years in Fisheries.

Shirley Ehmann, USDA Forest Service, Bitterroot National Forest, Editorial Assistant

Contribution: Editor

Experience: Forest Service – 25 years in special uses, purchasing, computer and administrative support.

Deb Gale, USDA Forest Service, Bitterroot National Forest, Wilderness/Trails Program Manager

Contribution: Inventoried Roadless Areas, Unroaded Areas, and Wild and Scenic Rivers analysis

Education: Bachelor of Science in Forestry Management from Oregon State University.

Bachelor of Science in Resource Recreation Management from Oregon State University

Experience: Forest Service – 26 years in recreation, trails, timber, minerals, special uses, and wilderness management.

Sara Grove, USDA Forest Service, Bitterroot National Forest, Interdisciplinary Team Leader

Contribution: Interdisciplinary Team Leader

Education: Bachelor of Arts in Biological Sciences from San Jose State University.

Master of Science in Forest Resources from University of Idaho

Experience: Forest Service – 28 years in pest management, timber, range, and watershed management, and NEPA analysis.

Cheri Hartless, Certified Silviculturist

Contribution: Vegetation Management

Education: Bachelor of Science in Forest Management from University of Montana.

Bachelor of Science in Fire Ecology from University of Montana

Certified Silviculturist since 2004, Program of Advanced Studies in Silviculture (PASS) 2000, and Continuing Education in Ecosystem Management (CEEM) 2001.

Experience: Forest Service – 20 years in silviculture, timber management, fire ecology, and Forest Inventory and Analysis (FIA).

Abby Kirkaldie, USDA Forest Service, Bitterroot National Forest, GIS Specialist

Contribution: GIS Maps and Analysis

Education: Bachelors of Science in Forest Resource Management from University of Montana

1 year study of GIS and Cartography at Western Washington University

Experience: Forest Service – 10 years in GIS; WY State Geological Survey – 5 years in GIS; WA State DNR – 4 years in wildlife/forestry; BC Environment – 1 year in wildlife;

Sydney Kurpius, Forest Service Contract GIS Specialist

Contribution: GIS analysis and map updates between draft EIS and final EIS

Education: Bachelor of Science in Cartography/GIS, Texas State University.

Experience: Forest Service – 9 years Forest Service in fire/aviation/GIS; County government – 3 years planning and zoning.

Cole Mayn, USDA Forest Service, Northern Region, Regional Office, Soil Scientist

Contribution: Soils Analysis

Education: Master of Science in Land Rehabilitation, Minor in Soils from Montana State University.

Bachelor of Science in Environmental Engineering, Montana Tech of the University of Montana.

Experience: Forest Service – 11 years in soils and watershed management; Private Industry – 5 years in soils, land rehabilitation, and environmental engineering.

Chuck Oliver, USDA Forest Service, Bitterroot National Forest, Darby District Ranger

Contribution: Leadership advice and liaison

Education: Master of Science in Agriculture Economics, New Mexico State University

Bachelor of Science in Rangeland Management, New Mexico State University

Experience: Forest Service – 9 years in forest planning and range management; 14 years as District Ranger

Jacque Parks, USDA Forest Service, Bitterroot National Forest, Fire and Fuels Specialist

Contribution: Fire Behavior, Fuels, and Air Quality

Education: Bachelor of Science in Business Administration from Oregon State University

24 upper level credits in Fire Ecology and Fuels Management, University of Colorado

Experience: Forest Service- 28 years in fire and fuels management.

Jacob Pintok, USDA Forest Service, Bitterroot National Forest, Transportation Engineer

Contribution: Transportation Analysis, road condition surveys on proposed haul routes

Education: Bachelor of Science in Construction Engineering Technology, Montana State University.

Experience: Forest Service – 12 years in transportation engineering

Andrea Shortsleeve, USDA Forest Service, Bitterroot National Forest, Wildlife Biologist

Contribution: Wildlife Analysis

Education: Bachelor of Agricultural and Environmental Sciences in Wildlife Biology from McGill University
Master of Science in Human Dimensions in Natural Resources from Colorado State University
Experience: Forest Service- 6 years in wildlife biology, Bureau of Land Management – 2 years in fire and fuels management.

Ed Snook, USDA Forest Service, Bitterroot National Forest, Hydrologist

Contribution: Hydrology Analysis

Education: Bachelor of Science in Forestry/Resource Management from State University of New York College of Environmental Science and Forestry

Master of Arts in Geography/Water Resources from University of Wyoming

Experience: Forest Service- 21 years in hydrology.

Erica Strayer, USDA Forest Service, Bitterroot National Forest, Recreation Specialist

Contribution: Recreation

Education: Bachelor of Science in Recreation Management from University of Montana

Experience: Forest Service- 12 years in recreation management.

Byron Stringham, USDA Forest Service, Bitterroot National Forest, Landscape Architect

Contribution: Scenery Analysis

Education: Bachelor of in Landscape Architecture from Utah State University

Experience: Forest Service - 10 years in scenery resources, private sector - 4 years in scenery resources.

Robin Taylor-Davenport, USDA Forest Service, Bitterroot National Forest, Botanist

Contribution: TES Plants and Invasive Plants

Education: Master of Science in Botany from Northern Arizona University

Bachelor of Science, Minor in Botany from Northern Arizona University

Experience: Forest Service- 4 years in rare plant, invasive species, and native plant management
Bureau of Land Management – 8 years in rare plant and invasive species management.

Mary Horstman Williams, USDA Forest Service, Bitterroot National Forest, Heritage Program Manager/Tribal Relations Coordinator

Contribution: Heritage Resources

Education: Bachelor's degree (1975) and Master's degree (1989) from the University of Montana 1989, with specialization in history of Montana and the West, and an emphasis on mining history and land use in the Northern Rockies. Graduate work in archaeology and cultural resource management.

Experience: 30 years in cultural resource management and historical research, 20 years of consultation and partnerships with Confederated Salish and Kootenai Tribes and the Nez Perce Tribe.

FEDERAL, STATE, AND LOCAL AGENCIES:

Robert F. Stewart, Dept. of Interior, U.S. Fish and Wildlife Service, Office of Environmental Policy and Compliance, Denver Federal Center, Bldg 67, Room 118, Denver, CO 80225-0007

Phillip Strobel, Acting Director, NEPA Compliance and Review Program, Office of Ecosystems Protection and Remediation, U.S. Environmental Protection Agency Region 8, Denver, CO.

USDA Natural Resources Conservation Service

Montana Fish, Wildlife, and Parks

Montana Department of Natural Resource Conservation

TRIBES:

Confederated Salish and Kootenai Tribes

OTHERS:

Nancy Balance – Montana State Representative Scott Boulanger – Montana State Senator

Pat Connell – Montana State Representative Fred Thomas – Montana State Senator

Ron Ehli – Montana State Representative

Ed Greef – Montana State Representative

Ravalli County Commissioners
